# School Logo Results

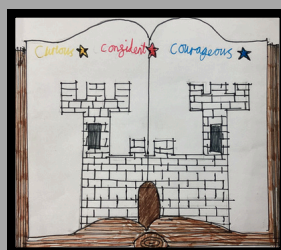

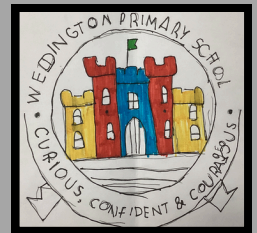

Thank you for everyone voting. We had all of our families, staff and Governors take part in this process.

I have to say that so many people were getting behind and supporting all of the children- thank you.

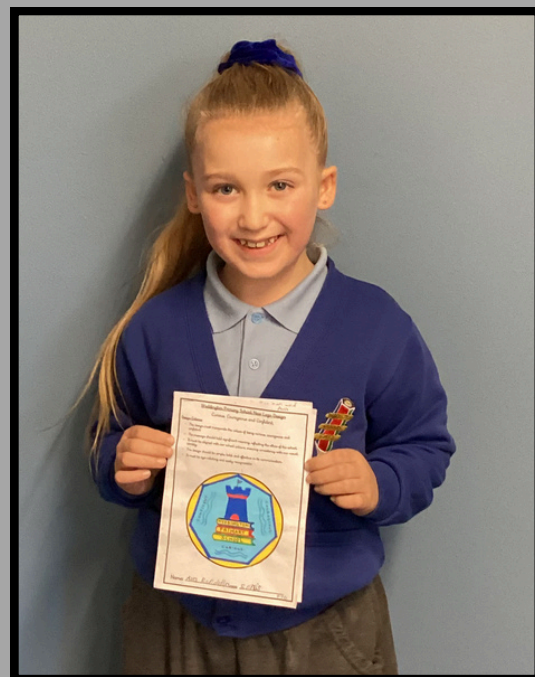

The total number of votes that we had were over 250! Amazing.

It was very close between the children's designs. All of the children should be very proud of their efforts.

After a VERY close vote, the design that received the most votes was....

## Design entry 2 - Ava

Thank you for everyone for supporting our children who got this far. They all should be proud but a big well done to Ava!

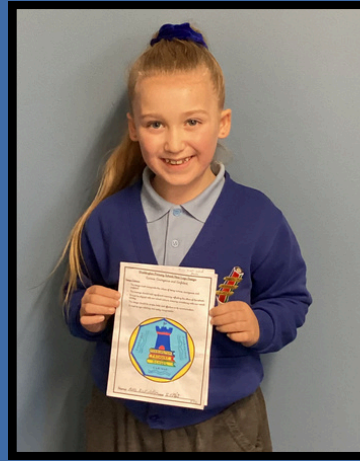

Many people loved the eye-catching design and the colours.

In addition to this, many people loved the thought process behind each of the different parts of the design. This is what the school wanted - a logo with a clear meaning to Weddington.

### Very proud...

A massive well done to Alice, Abby, Harry and Leo. Your entries were amazing and we are all very proud of you all. Many people valued your entries and spoke very highly of them.

### Next steps:

- The winning entry will be designed into a professional piece of artwork.
- This will be displayed around school and become part of our identity.
- The new logo will be on all new uniform from the summer term.
- There is no expectation to buy uniform with the new logo. Existing uniform is fine until they get too small/worn out then the new uniform would be bought. Even if this takes over a year - this is fine.
- The school is looking into alternative providers for uniform to make it more cost effective for families.
