Thank you for all of the great entries. If you haven't finished your design, we are still happy to accept entries this week.

Many of the entries are amazing and so much effort has clearly been put into this - thank you.

Around the World Week

Before half term, we had our first ever 'Around the World Week'. As shared previously, the purpose of this week is to further develop and build our curriculum. We hoped this was a fun and creative week for our children. The focus was on the following countries:

- Reception: England
- Year 1: New Zealand
- Year 2: Nigeria
- Year 3: Portugal
- Year 4: Malaysia
- Year 5: Peru
- Year 6: Croatia

I would welcome any comments from families so please get in touch.
Here are some photos from across school...

FIREWORKS SAFETY TIPS

HERE ARE FIVE TOP TIPS TO KEEPING CHILDREN SAFE ON BONFIRE NIGHT

1

Do not let children play with fireworks. Rockets and sparklers are very dangerous. If your teens want to use sparklers, make sure they keep them outside and away from their face, clothing, and hair

2

If you can, go to an organised fireworks display. If you do your own display make sure you have read all the safety instructions and never let children handle or light fireworks

3

Store fireworks in a safe, sturdy and childproof box and keep it away from children at all times. Fireworks always need handling with extreme care

4

Always ensure children are supervised at all times. Never let a child pick up a used sparkler or unlit firework.

5

Make sure children aren't wearing loose clothing. Always have water or a fire extinguisher handy
