## KS2 Sports Day

### What a great day for KS2 Sports Day

Thank you for everyone supporting this day. All the children had fun and congratulations to all of the children that competed and those who achieved a top 3 spot. It was good to see all of the parents that attended - thanks again. Hopefully, the new date for KS1 Sports Day can happen without any rain interruptions.

# TRANSITION DAY - WEDNESDAY 10TH JULY

This Wednesday, children will visit their new classes. Children will be informed of their new classes on Tuesday. Their current teachers will discuss who their new teacher is and families will receive a message on MyEd on Tuesday.

In September, we will be having an extra two classes in Year 2 and Year 4. This means the current Year 1 and 3 children will have to be split into 3 classes for September. This will continue to support the rising numbers of families moving into the local area. In addition to this, the current Reception cohort will be mixed for September into two new classes. We have ensured there is a balance in all aspects, including friendships and social groups. This ultimately will have the best achievements for our children and careful thought has been put into this. If you have any questions, please talk to your child's teacher or come and talk to me. For children who require further support in this transition, we will make sure this happens. If you feel your child needs support in this transition, please talk to your child's teacher.
