

# WEDDINGTON PRIMARY SCHOOL

Every Child

Every Chance

Every Day

## KS1 Values Assembly

The progress that these children have made has been something that we have all been proud of. Thank you again for all of the families that celebrated our children's efforts - they really do love seeing you at these assemblies.

### Family Den Day - Thursday 20th June 2024

This year's Den Day will take place on Thursday 20th June. I have been told that this day has been a favourite for many families. This year we will be calling it, Family Den Day. Of course, it will be centred around Father's Day but we will be more than happy for all the family to attend. There will be a slight change of timings to support the logistics of making this day happen. Families will be welcome to school at **12.15pm** and during this time, all materials, equipment etc can be brought in and placed onto the field. Families can have lunch with their children at 12.30pm. Official 'Den building' will start at 12.45pm. More information on timings etc will follow.

Reception and KS1 - Wednesday 3rd July  
KS2 - Thursday 4th July

## Sports Day

These are our proposed dates for Sport Days - fingers crossed for good weather on these days. If the weather is poor, then we will be in touch and decide on another date.

## Year 3

### 3CG News

Miss Grayson will be starting her maternity leave at the end of this week. We wish her the best in coming weeks and hope to see her soon. Mrs Brown will be starting this week in 3CG and will be spending the week together with Miss Grayson and the class so there will be an effective transition for our children.

### Computing and online resources:

**Jessie and Friends** is a great resource that parents can use to engage with their younger children about worrying or frightening situations online. When questions answer a question correctly they earn a star and can download a certificate to colour in. <https://www.ceopeducation.co.uk/parents/articles/4-7s-website/>

With **wellbeing** increasingly hot on the agenda, helping children manage their health and wellbeing is a top priority. Nothing can beat getting out in the fresh air, meeting friends and having fun, but some children may find apps useful for things such as learning about emotions, managing anxiety etc. There are thousands of these types of apps, but to cut through the fog Internet Matters have put together a list which gives details such as: suitable ages, purpose, how the app works and (where applicable) the cost. <https://www.internetmatters.org/resources/wellbeing-apps-guide-for-kids/#wellbeing-apps-stay-active>

## YEAR 6

Well done to all of our Year 6 children. You did so well through SATs week. We are all very proud of you. **Thank you** to all of our parents and staff who have helped to make this week as smooth as possible for our children.
