Every Child

Every Chance

Every Day

## KS2 Values Assembly

So proud of all the children who received a certificate in this assembly - well done.  
Keep up the good work.

### Attendance and Punctuality

Thank you to all the families that are supporting with their child's attendance and punctuality. I appreciate there may be times where families have difficulties bringing in their child or they may be ill. But remember that sticking to normal school routine is beneficial for our children. We would like our children's attendance to be above 95%. If you have any concerns or worries, please contact Miss Molineaux or Miss Tomlinson at our Weddy Hub. We have updated our attendance policy and this can be found at: <https://www.weddingtonschool.co.uk/policies-and-key-documents/>  
Doors open at 8.30am and official learning begins at 8.45am. All children need to be ready to start at this time. If a child is late, this not only has a negative impact on the child but it also disrupts the other children in the class. If there are any problems with getting your child into school on time, please get in touch to see if we can support.

# WEDDINGTON NEWS

## Year 6 SATs - Week beginning 13th May

Year 6 have their SATs this week. Good luck to all of the children this week. You have worked incredibly hard and you all should be proud of this. Please ensure your child is in school everyday this week. You will have received messages from the Year 6 staff regarding a breakfast club session before the school day at 8am. We strongly suggest that all children attend so everyone is ready for the day ahead. I am so proud of the children and staff who have worked so hard - well done.

# Good Luck Year 6
