## KS2 Values Assembly

Another great turnout for our KS2 Values assembly. The learning we saw in books was outstanding and clearly show all of the progress our children have made. Thank again to all staff and families to make this happen. .

### Polling Day / INSET Day

Just a reminder that this Thursday (02.05.24) is our INSET Day. We changed this after Christmas as we were asked to become a Polling Station. This meant that the school would have to be closed. We decided to move the INSET day to this day so it would have minimum disruption to our children and families. School is back to normal on Friday 3rd May.

## Weddington's Children Charter

We're thrilled to announce the creation of the Children's Charter in collaboration with our dedicated School Council and enthusiastic children. This initiative stems from our unwavering commitment to ensuring all members of our school community actively support and nurture our children's development. By amplifying their voices and fostering an environment where they feel heard and valued, we empower our children to flourish as **curious, courageous, and confident** individuals.

This charter is not just a document; it's a testament to our collective vision for our children's future. As outlined in our vision statement, **"Weddington's vision is for all to thrive. 'Weddy' graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success."** By championing the Children's Charter, we reinforce our commitment to realising this vision. Together, let's continue to build a community where every child can thrive. Thank you for your ongoing support and partnership in this journey.

### 3CG News

As many of you are aware, Miss Grayson is pregnant - congratulations! She will begin her maternity leave at the end of this half term. Mrs Brown will be taking over as class teacher. She has been teaching for several years and we are excited for Mrs Brown to be joining our Weddington Team. ## Weddington's Charter

At Weddington Primary School, we believe in creating a safe, nurturing and inclusive environment where every child can thrive. Our school charter was created by the School Council Members in consultation with the class they represent and is founded upon the rights that we consider crucial for our well-being, growth and happiness.

01

Here are the fundamental rights we hold dear:

### The right to be respected

Every child at Weddington Primary School has the right to be treated with respect by teachers, staff and fellow students. We value kindness, empathy and understanding towards one another.

02

### The right to be treated fairly

We believe in fairness and equality for all. Every child has the right to be treated fairly, regardless of their background, abilities or differences. We strive to create a community where everyone feels valued and appreciated.

03

### The right to reach full potential

Every child has unique talents, strengths and potential. At Weddington Primary School we are committed to providing opportunities and support for each child to discover and develop their full potential, academically, socially and creatively.

04

### The right to feel safe to learn

Feeling safe is essential for effective learning. Every child has the right to learn in an environment free from fear, intimidation or bullying. We work together to create a safe and supportive atmosphere where everyone feels comfortable to express themselves and explore new ideas.

05

### The right to share opinions

Every child's voice matters. We encourage open communication and dialogue, where children feel confident to share their opinions, thoughts and ideas. We believe that listening to each other fosters mutual respect and understanding.

06

### The right to feel a sense of belonging

We believe that every child deserves to feel like they belong. Weddington Primary School is a community where everyone is welcomed, accepted and included. We celebrate diversity and embrace the unique contributions of each individual.

In upholding these rights, we pledge to uphold the values of respect, fairness, safety, open communication and belonging. Together, as members of Weddington Primary School community, we strive to create an environment where every child can flourish and succeed.

Weddington's vision is for all to thrive.
