## Values Assembly

Thank you for an amazing first Values Assembly.

We held our Reception and KS1 assembly on Friday morning and we had a great turnout from parents.

Teachers spoke about children’s work and it was lovely to celebrate this event with everyone! Thank you to all the families who celebrated with us.

As you know, our new Relationship and Behaviour Policy focuses heavily on positive rewards and interactions. This is one example of showing off to everyone how wonderful our children are and celebrating this.

Next week is KS2 Values Assembly on Friday at 8.50am. If your child is going to receive a certificate, you will be contacted on Wednesday to be invited to this assembly. Again, if you receive a call, please keep it a secret – we would like this to be a surprise for our children.

## Class Dojo

Many of you will be receiving photos about you children’s learning. In the parents’ survey from October, many parents shared that they would like more opportunities to know what their children are learning about. This is one of the ways that we have listened to improve communication.

Please also visit our website to look at the curriculum overviews for their year group and specific subjects that your children are learning about. Again, this was shared on the survey so staff have updated and reviewed.

## Goodbye

This week was the last week for Mrs Beere and Mrs Carwardine. They both have started their maternity leave and we wish them the very best. We look forward to seeing them both soon!

Miss King and Miss Rich have secured promotions outside of Weddington. They both thoroughly deserve their new roles and we wish them the very best. They have been part of the Weddington Family for a long time and have supported many children and staff. Everyone at Weddington will miss their nurturing and caring characters – especially the children. Keep in touch and good luck.

### Railway Safety:

Children have spent time learning about keeping safe around railways. There have been several tragic accidents across the UK and we need to ensure we keep all of our children and families safe.

Please use the following link with your children to have look at all the resources to support being safe around railways:
