Well done!

Our final celebration assembly of term. So many children yet again have made us all proud. Well done to everyone! In the third photo across, you can see the children who won a prize for the Jolly Jar competition for the Christmas Fayre. Thank you again for all of the support for this event.

Christmas celebration at school

Well done to all of the children who carried out a small Christmas themed event for families. Everyone did so well. The children in Reception delivered a great nativity which showcased their huge increase in their confidence since the start of term! The singing in all year groups has been amazing! Everyone should be very proud. Thank you for everyone who supported and attended

A big thank you...

Thank you for a great term. We have had a lot of support from all of our families over the term and we really appreciate this. The children's progress has been great and I hope you could see this from the way they spoke, sang and performed in the past two weeks.

I have thoroughly enjoyed my first term at Weddington and that is because children, staff and parents have made me feel so welcome – thank you.

We all hope you have a relaxing and enjoyable Christmas break.

Social Media for children

Just a reminder to ensure you are aware of your children's use on social media. Most social media has an age restriction of 13years +. We have had a few issues since the start of term with group chats so please speak to your child about safety and being aware of what they are doing online.

Weddington's vision is for all to thrive. 'Weddy' graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success
