## School Crossing Patrol

Caron has started her role as our School Crossing Patrol (SCP) on Weddington Road - near junctions of Bramdene Avenue and Caldecote Close. A huge welcome to her.

In order to support the children who may not have experienced crossing with an SCP before, there is a 'Lollipops' video resource that can be shown to your child. Please find the link to this below:

We are in our third week of the autumn term and children are getting used to their class's expectations and routine. Thank you for those families who are consistent in dropping off your children on time. This has such a huge impact on children's learning and readiness for the day ahead of them. We are currently reviewing our attendance procedures and will keep you informed of any changes. **Remember, children must be in school to begin lessons at 8.45am. Not to arrive at 8.45am.** Doors open at 8.30am.

### Photos

On Tuesday 19th September, we will have Wrates photographers in school to take individual and sibling photographs.

On this occasion, we are able to offer the opportunity to have photographs taken with siblings that do not attend our school. If you would like to do this, please be at school from 7.30am and wait by the door to the left of the main entrance.

We will arrange for siblings within school to have a joint photograph taken during the day.

If your child would normally have PE on Tuesday, please send them in full school uniform and not PE kit.

Children can bring their PE trainers in a separate bag as we will adapt the session so they will not need their full PE kit.

## Excellent work

Children have continued the great work this week. Every time I have visited all of the classes, there are lots of exemplary learning taking place. I have been really impressed with the children's manners since I have started – This is a really important life skill that will go a long way in life.

To support children's learning in maths, a range of resources should be used so children can use their previous learning to help understand new concept.

*Weddington's vision is for all to thrive. 'Weddy' graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success*
