The school's vision for all children

We have reviewed and renewed our whole school vision and we wanted to share this with you and why we feel this is important to us.

Weddington's vision is for all to thrive.

'Weddy' graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success

Why our vision is important to us?

We have chosen this vision statement because it serves as a guiding light, a shared purpose that drives our entire school family – staff, children, families, Governors and the community.

This vision should inspire and unite all of us, creating a sense of purpose and direction. For children, it will enhance their aspirations by providing them with a clear understanding of why we want to have an excellent school.

When children know that our vision is to foster a love of learning, promote creativity, or instill a sense of citizenship, we hope it can motivate them to set higher goals and strive for excellence.

Parents play a crucial role in achieving this vision by aligning their support, expectations, and involvement with ourselves. When parents and schools work together to reinforce a shared vision, it creates a powerful environment that nurtures children's growth and aspirations, ensuring they receive a well-rounded education that extends beyond academics.

Our vision will be the foundation of everything we do and we want you to be part of this wonderful journey.

Please support us in achieving this vision.

First week

The children have had a great first week. The happy smiles and friendly faces have made my transition to Weddington a lot easier – thank you.

It hasn't just been the children but many parents have talked to me at the gates before and after school to see how I have settled in. This has certainly been much appreciated and it has been good to get to know everyone.

If I haven't spoken to you yet, please come and say hi and tell me about your child – this will certainly help me to remember all of the names.

Children will be getting used to the class and school's expectations. We will be working with you to ensure we get the very best out of every child so thank you for your continued support.

Mr Patel

Weddington's vision is for all to thrive.

'Weddy' graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success

A super start to the year

Key messages

School car park - We will be reviewing parents parking in the car park in the coming weeks. There have been near misses where children and staff have nearly been hit and staff cars have been damaged. Our priority is the safety of all children and adults. Any parents who have a past agreement to park in the school car park will be reviewed. As you have noticed, there are usually no car parking spaces and parking in unsafe and inappropriate areas is not safe or legal.

Parking – Please do not park on residents’ drive or block in their vehicles.

Winchester Avenue - Please find alternative safe areas to park when dropping off or picking up your child. Please do not turn into Winchester Avenue and attempt to turn your car around by the school gates. This is extremely unsafe. Many parents have stated this.

Working together

One area that we believe is a life skill and children gain so much out of this is working in small groups. As you can see, our children clearly enjoy this and will certainly help their speaking skills.

Well done

Congratulations to Coco Gauff. She has won the Tennis US Open tournament for the first time. She is only 19 years old!

I am sure she has a clear vision to achieve her dreams! A good role model.

Calendar dates:

- 15.09.23 – Swimming Year 3
- 12.09.23 – Rugby Tots starts in Reception
- 27.09.23 – Travelling Book Fair starts
- 04.10.23 – Travelling Book Fair ends
