Welcome back!

Dear Parents and Carers,

I am delighted to introduce myself as the new Headteacher of Weddington Primary School. I am excited to be part of a great school and look forward to working with you all to ensure children are provided with the best possible education and enrichment experiences. I would like to start by thanking my predecessor – Mrs Kershaw for the great work that she has done for the school. She has been a dedicated and accomplished professional for Weddington and I wish her a happy retirement.

As I begin my journey as the Headteacher of Weddington, I want to recognise the progress that has been made in the past several years. Thanks to the hard work of the staff, parents, and children and Governors, the school has made good strides in times. My vision for the school is:

- All children to make strong progress both academically and socially
- Effective communication between the school and all families
- Produce confident learners to embrace the ever-changing world around them
- Develop a safe and stimulating learning environment linked to our vision and values
- Provide experiences and the resources to shape the children's future
- Deliver excellent teaching and learning outcomes
- Parents and the community to contribute to our children's success

I am thrilled to say that I have already had the pleasure of meeting the majority of children and many parents who make up this fantastic school community. The children are wonderful, and it is clear that they are eager to learn and grow. I want to take this opportunity to thank the parents and staff who have been welcoming and supportive of me, and I hope to work closely with all of you to ensure that the school continues to gain and contribute to the children's progress.

Once again, I am truly honoured to be your new Headteacher, and I look forward to working together to achieve our shared goals. Please do not hesitate to contact me if you have any questions, concerns or ideas to share.

Yours sincerely,

Mr Patel

Our vision:

Weddington's vision is for all to thrive. 'Weddy' graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success

A great first day back!

This week

Children will be carrying out work this week to build and develop their friendships. They will also be going through the expectations for their year group.

School gates will open just after 8.25am. For collection, the gates will open at 3.05pm.

Thank you for being considerate with car arrangements this morning. However, we will be reviewing the use of the car park by families as this is a health and safety concern.

Looking smart

It was lovely to see all of the children coming to school in their correct uniform. Thank you for being supportive towards our uniform policy. As you can see, children are looking smart and ready to start the term.
