KS2 Values Assembly

★ Celebrating Our KS2 Superstars! ★

This week, we were thrilled to celebrate our incredible KS2 children in our special Values Assembly! From showing perseverance in their learning to inspiring others with their kindness and courage, each child who received a certificate truly embodies what it means to be a Weddy Graduate.

A huge WELL DONE to all our award winners—your hard work, dedication, and values shine bright!

Thank you to our wonderful families for joining us and sharing in these proud moments. Your support makes all the difference! ❤️

Canopy Works

As you will have noticed, we are having a lot of work around the school site to further improve our school. If you remember, the canopies around school were in very poor condition before they were removed recently. In fact, several parents commented on whether the canopies be looked at in the last survey. These are currently being replaced by Local Authority contractors.

This has meant for several classes, their normal exit from their door will be different for the last two weeks before we break up for Easter. Thank you again for your understanding for this.

EASTER EGG AND BONNET COMPETITION

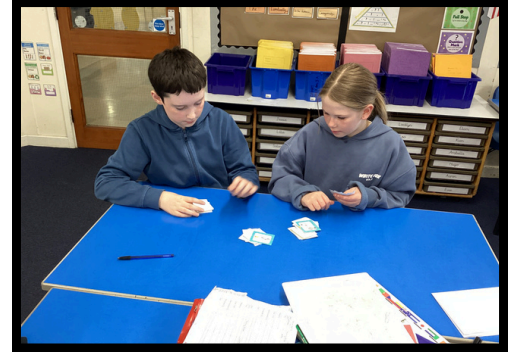

On **Thursday 10th April**, there will be a Easter Egg decorating competition for KS2 and a Easter decorating bonnet competition for KS1 and Reception. All children are welcome to enter. This will be a fun chance to show off children's creativity and imagination. This also provides a chance for families to carryout a fun activity with your child at home.

There will be various prizes for children for a range of categories. It would be great to see lots of children entering on this day. Teachers will go through ideas with children to help. For this event, we will not be asking parents to attend. Any questions, please ask.
Looking forward to it!

GREAT!

Weddy Hub

WEDDY HUB AWARDS

As part of their role in school, Weddy Hub's pastoral team works with many children for a variety of reasons. Each week, Miss Molineaux and Miss Tomlinson will select star pupils who have particularly impressed them. Well done to these children and to Weddy Hub for making such a positive impact!

School Trips

Historically at Weddington, there has only been one trip for each year group. This year, every year group will have at least two trips.

The second trip will be considerably subsidised by school and we will be asking parents for a fixed cost of £10 and not the full amount. Families who are eligible for pupil premium will continue not to pay for trips. We hope this will help families and also to ensure we have great experiences for all of our children.

Year 5's Amazing Trip to Jodrell Bank

Our Year 5 children had an out-of-this-world time at Jodrell Bank! They not only got to see the world famous Lovell Telescope, but they were also wowed by the space dome experience where they found out about the constellations and how our view of the night sky changes throughout the year. This added to their already growing curiosity shown during our space topic in science.

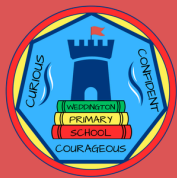

A huge thank you to Weddington staff and volunteers for making the trip run smoothly, it couldn't have happened without the additional support. We hope this has inspired many Year 5 children to follow a future career in STEM (Science, Technology, Engineering, and Mathematics) areas.

Weddington's vision is for all to thrive.

'Weddy' graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success
