KS2 Values Assembly

KS2 Values Assembly – Celebrating Our Weddy Stars! ⭐

This week, we proudly celebrated our KS2 children who have shown what it truly means to be a Weddy Graduate—living our school values with pride, showing determination in their learning, and being wonderful role models.

At our school, all staff look forward to hearing how our children have demonstrated our values and vision throughout the week. It's always a joy to celebrate the ways they show kindness, resilience, and a love of learning in their daily activities. We are especially proud to hear about the progress and achievements each child makes in their learning, and we love sharing these moments as a school community.

A big thank you to our fantastic families for your support in helping our children shine so brightly. Together, we build something special. 👏

Year 3 and 4 Boys Football Event

This week, we were thrilled to host a fantastic football event that brought together teams from our school, Camp Hill Primary, and Michael Drayton. The children who took part had a brilliant time, showing great sportsmanship, teamwork, and enthusiasm—truly living out our school values. We were especially proud of the way they represented our school, with one of our teams emerging victorious on goal difference! Many parents have shared through our questionnaire that they would love to see more enrichment opportunities like this, helping our children grow into confident Weddy Graduates and positive role models. We're excited to announce that we plan to make this football event an annual tradition, giving even more of our children the chance to build new skills and shine as ambassadors for our school.

Year 6 PGL Residential.

Last week, our Year 6 children embarked on an unforgettable camping adventure at Boreatton Park! From soaring through the trees on the zip wire to facing their fears on the 40ft abseiling tower, they showed incredible courage and determination every step of the way. The week was filled with laughter, singing, dancing and cheering each other on – a true celebration of teamwork, friendship and resilience.

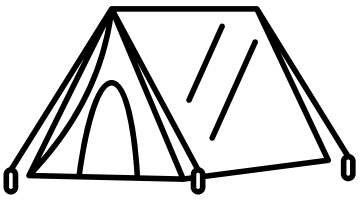

Year 6 PGL Residential.

Living out our school values of being curious, courageous and confident, the children challenged themselves, supported one another, and grew in independence and maturity. Their PGL journey was more than just a residential – it was a stepping stone in their journey to becoming Wonderful Weddy Graduates. We couldn't be prouder of all they achieved!

This week in Reception

Children have continued their work in the garden this week and were able to harvest their first lot of peas. They were delicious!

Children and staff were so excited on Friday when the first of our butterflies pushed its way out of the cocoon.

Last week, we enjoyed a fantastic series of Sports Day events, filled with energy, enthusiasm, and team spirit. Despite the heat, all of our children gave their very best and showed wonderful support for one another throughout each activity. A big well done to all the medal winners in each year group—your determination and effort were brilliant to see! We'd also like to say a heartfelt thank you to the parents and families who came along to cheer everyone on—your support made the day even more special.

We are looking for a small group of parents to share their opinions about changes to our Relationships, Sex and Health curriculum.

Please call the office to let us know if you would like to help.

WEDDINGTON SCHOOL

PRESENTS

SUMMER SENSATION

WEDDINGTON PRIMARY SCHOOL

Python in Pieces: Summer Coding Camp for Year 5 & 6

Looking for a way to keep your child's coding skills sharp over the summer? The **Python in Pieces Summer Coding Camp** is ideal for **Year 5 and 6 students** who want to enhance their programming knowledge in a fun and structured way during the summer holidays.

Exclusively for Purple Mash subscribers, the camp is accessed using your child's Purple Mash login and takes place within the **Python in Pieces** application. All you need to do to take part is sign up to receive the weekly tasks - it's that simple!

What to expect:

Fun and educational activities: Participants will embark on a journey of learning and discovery through a series of hands-on coding activities.

Learn Python programming: Our camp will teach children the fundamentals of Python programming in a fun and accessible way.

Exciting projects: From creating games to building interactive applications, participants will have the chance to unleash their creativity and showcase their coding skills.

Conducted entirely online: Accessible anywhere, anytime – our camp is conducted entirely online, you'll just need a web browser.

Expert instruction: Our camp features overview videos and built-in step-by-step guides to support participants every step of the way.
