KS2 Values Assembly

This week, we were thrilled to celebrate our KS2 children in our Values Assembly. Each certificate awarded represents something truly special – living out our school values, reaching new levels of achievement, and showing what it means to be a proud Weddy Graduate.

Our children continue to inspire us every day with their hard work, kindness, and determination. We are so proud of each and every one of them.

A heartfelt thank you to our parents and carers for supporting your children in everything they do, and to our staff for encouraging and guiding them to shine. Together, we really do help our children to thrive.

Every Child Every Chance Every Day

PE Online Survey

We are asking all pupils to complete a short online survey about Physical Education in school and the activities they take part in outside of school. The purpose of this survey is to help us better understand children's experiences, interests, and levels of participation in and out of school, so we can continue to develop our PE provision and after school club activities.

The survey should be completed as much as possible by your child, with your support if needed. All responses will remain confidential and will only be accessed by school staff.

We kindly ask you to encourage your child to take part and answer honestly to allow us to have a better understanding of children's views about PE. The more information we gather, the better we can plan and provide activities that support their health, wellbeing, and enjoyment of physical activity, allowing us to further develop our curriculum.

A link will be sent shortly.
Thank you for your continued support.
Miss Daffern

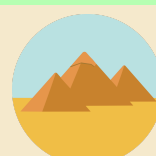

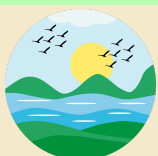

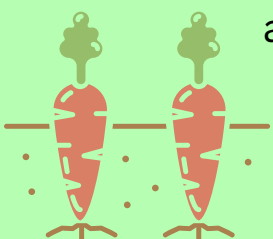

Dear Parents and Carers,

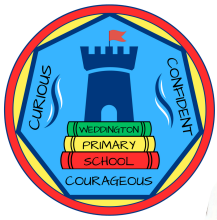

We kindly request that you refrain from placing children over the allotment fence to collect conkers. This practice poses safety risks, as the area beyond the fence is overgrown with brambles and other plants that may cause skin irritation. Additionally, it is an unsuitable place for children to be running around unsupervised.

Year 1 pupils have been cultivating pumpkins in this area, and it would be very disappointing if these were damaged.

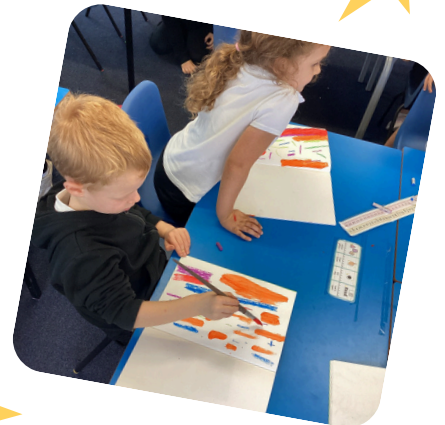

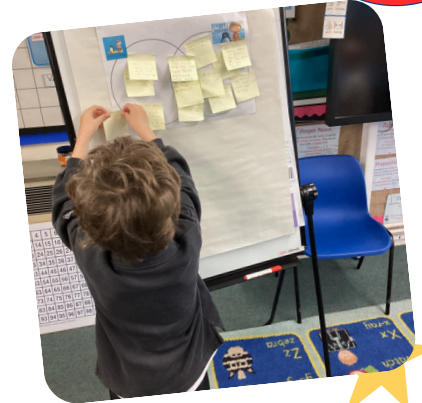

We appreciate your understanding and cooperation in ensuring the safety of all children and the protection of the school grounds.

Thank you.
Mrs Cockill

Our Learning This Week

This week Year 1 had a very exciting visit from the firefighters! They spoke to the children about different types of fires, how to stay safe, and which number to call in an emergency. The children also learned the important safety technique ‘Stop, Drop and Roll’ and enjoyed joining in with the actions. Throughout the session, the children showed great respect and mindfulness, listening carefully and asking thoughtful questions. The visit inspired many of them to aspire to help others and make a difference in their community. It was a fantastic and informative session!

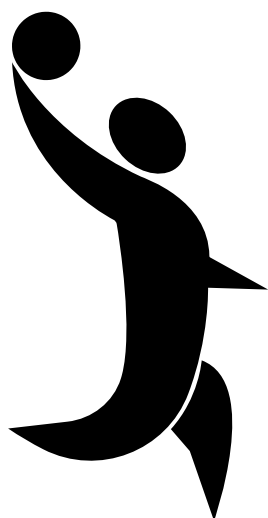

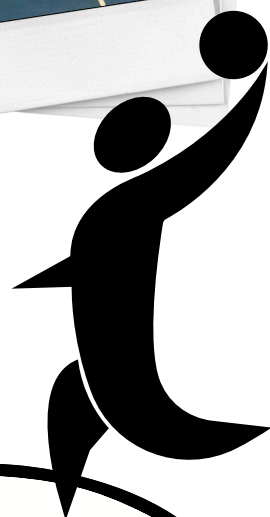

Year 6 visit to Higham Lane North

Our Year 3/4 children had a fantastic time competing in an interschool dodgeball tournament with six teams, finishing in an impressive third place. The children demonstrated and upheld the school values throughout, especially respect, perseverance, and honesty, both on and off the court. We were especially proud when one of our players was awarded a medal for her individual honesty, highlighting the importance of fair play. Every child represented the school brilliantly, and we couldn't be prouder of the way they played and respected all that were involved.

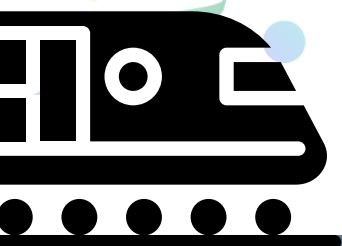

I liked all the dodging! I was really pleased to represent our school. Mason

I was nervous at the start, but then I was proud when we came third.

companies support the programme	schools in the UK have engaged	UK schools still need to be reached

From 9th–15th October, we mark Baby Loss Awareness Week.

This is a time to come together in compassion and remembrance, as so many families have been touched by the loss of a baby during pregnancy, at birth, or shortly afterwards. We know this can be a deeply painful and personal experience, and we wish to acknowledge and support those in our school community who have been affected.

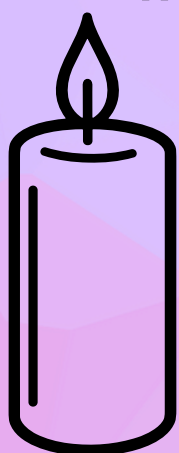

As a way to mark this week, the school will be creating a basket of candles in the entrance hall. These will be freely available for families who wish to take one home and light it in memory of a child. Further information will also be available in the school office from 9th October. If you or someone you know has been affected please remember you are not alone, and support is always available.

It can often be difficult to know what to say when a family is grieving for a baby. If you are looking for someone to talk to below are some links for local and national support groups.
