KS1 Values Assembly

Our KS1 children shone brightly in this week's Values Assembly! ✨ Each certificate celebrated something wonderful – children who have shown our Weddington values in action, achieved something special in their learning, or demonstrated what it truly means to be a Weddy Graduate.

A big thank you to our parents and carers for your constant support, and to our staff for their dedication and encouragement. Together, we make Weddington a place where everyone can thrive.

Congratulations to all our KS1 certificate winners – you are amazing!

PE Online Survey

Dear Parents/Carers,

We are asking all pupils to complete a short online survey about Physical Education in school and the activities they take part in outside of school. The purpose of this survey is to help us better understand children’s experiences, interests, and levels of participation in and out of school, so we can continue to develop our PE provision and after school club activities.

The survey should be completed as much as possible by your child, with your support if needed. All responses will remain confidential and will only be accessed by school staff.

We kindly ask you to encourage your child to take part and answer honestly to allow us to have a better understanding of children’s views about PE. The more information we gather, the better we can plan and provide activities that support their health, wellbeing, and enjoyment of physical activity, allowing us to further develop our curriculum.

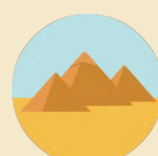

Thank you for your continued support

Here is the link. Please click on the link.

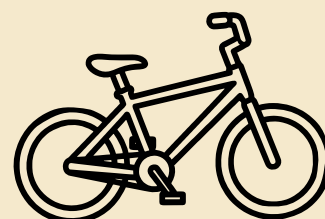

The link will also be sent on MyEd.

Year 3 children took part in **Bike ability** Level 1 training with the Nuneaton and Bedworth Leisure Trust on the Year 5/6 playground. During the session, children developed key cycling skills, including balancing, starting and stopping safely, steering with control, checking their surroundings, and practising an emergency stop. The children showed great enthusiasm and growing confidence as they learned how to ride safely and responsibly.

Our Learning This Week

STEVE Backshall

Last week, the whole school took part in an exciting Live Lesson with Steve Backshall and the WWF as part of the Happy By Nature programme, inspiring children to appreciate and protect the natural world. Linked to our learning about Steve Backshall—a British wildlife expert and one of our meeting room namesakes—the session explored what forests are, why they are vital, and how we can help them thrive. This experience reflected our school values, encouraging pupils to be curious, courageous, and confident in caring for the planet.

We ask that all donations be made by **Monday 20th October 2025**.

Thank you sincerely for your continued kindness, generosity, and mindful support.

RECEPTION COFFEE MORNING

Thank you to all the parents who joined us for our Reception Coffee Morning. It was lovely to have time to chat with you and hear your wonderful ideas on how we can continue to support our families as children begin their school journey. We truly value your input and partnership in helping make the start of school a positive and nurturing experience for every child.

From 9th–15th October, we mark Baby Loss Awareness Week.

This is a time to come together in compassion and remembrance, as so many families have been touched by the loss of a baby during pregnancy, at birth, or shortly afterwards. We know this can be a deeply painful and personal experience, and we wish to acknowledge and support those in our school community who have been affected.

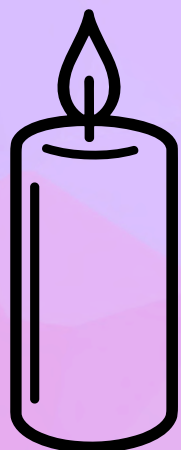

As a way to mark this week, the school will be creating a basket of candles in the entrance hall. These will be freely available for families who wish to take one home and light it in memory of a child. Further information will also be available in the school office from 9th October. If you or someone you know has been affected please remember you are not alone, and support is always available.

It can often be difficult to know what to say when a family is grieving for a baby. If you are looking for someone to talk to below are some links for local and national support groups.

Kinship Care Week

6-12 October 2025

Kinship Care Week is a special time to recognise and celebrate the amazing role that kinship carers play in the lives of children and families. It also helps raise awareness of what kinship care means – when relatives or close family friends step in to care for a child when their parents are unable to.

We'd like to say a heartfelt thank you to all our families who continue to support our children and our school in achieving the very best outcomes. Your care and commitment make such a difference every day.

**THANK
YOU!**

Nuneaton Old Eds

We'd like to say a huge thank you to Nuneaton Old Eds for their fantastic support with our Tag Rugby after-school club. The children have absolutely loved developing their teamwork, skills, and confidence through the sessions.

The club has also shared a flyer with information on how children can join Nuneaton Old Eds and continue their rugby journey outside of school – a brilliant opportunity to stay active and have fun!

Thank you again to the Old Eds team for being such great supporters of our school community!
