

WEDDINGTON PRIMARY SCHOOL

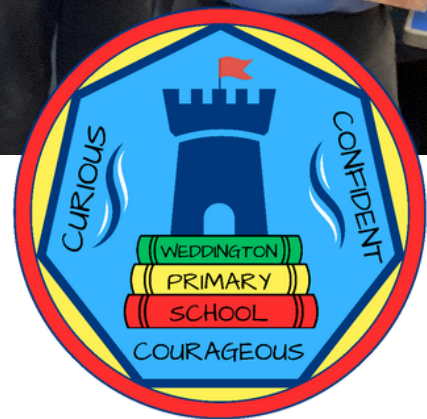

EVERY CHILD EVERY CHANCE EVERY DAY

Welcome to our School

Welcome to Weddington Primary School. We are delighted that you have chosen to learn more about our school community. At Weddington, we strive to create a safe and nurturing environment where every child can thrive and reach their full potential.

OUR VISION

Weddington's vision is for all to thrive.

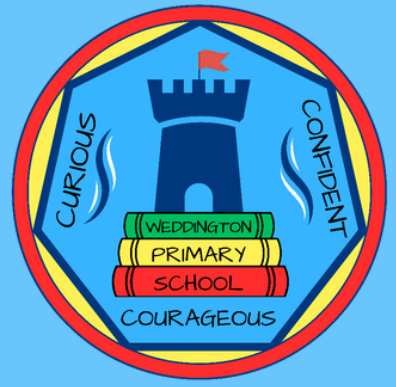

“Weddy” graduates will venture into the wider world as curious, courageous and confident individuals, who are equipped with the tools for continued success.

Weddington's vision is vital to our primary school because it sets a foundation for holistic development, preparing children not only academically but also emotionally and socially. The focus on fostering curiosity, courage, and confidence equips children with essential life skills. These traits are critical for thriving in a rapidly changing world, where adaptability and resilience are key to continued success.

Values

Weddington Primary School's values of respect, perseverance, inspiration, aspiration, mindfulness, truth, and reflection are vital to our school as they create a strong moral and ethical foundation that guides children in their personal and academic growth. These values are not only key to academic success but also to developing well-rounded, responsible, and compassionate individuals who contribute positively to society.

ASPIRATION

Aspiration means dreaming big and aiming high.

TRUTH

Truth is about being honest and making the right choices.

REFLECTION

Reflection helps us grow and improve.

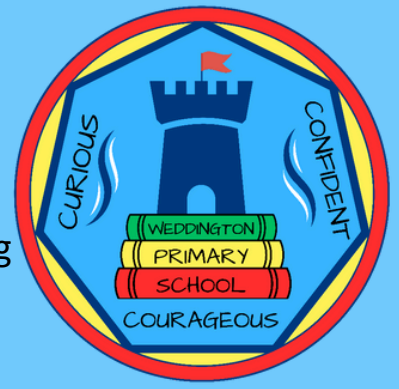

RESPECT

Respect is at the heart of everything we do at Weddington.

Values

To create a personalised and meaningful curriculum to our school, where appropriate and relevant, our school values are embedded across the children's learning. This provides a purpose to our learning and a sense of pride.

PERSEVERANCE

Perseverance teaches us to never give up.

INSPIRATION

Inspiration drives creativity and a love of learning.

MINDFULNESS

Mindfulness helps us stay calm, focused, and ready to learn.

Our Pastoral Team

The pastoral team plays a vital role in supporting the wellbeing of students and their families by offering guidance and care in areas such as emotional health, behaviour, and challenges both inside and outside of school. They work closely with pupils, parents, and external agencies to ensure every child feels safe, supported, and ready to learn.

What the children say about their school ...

“The lessons are really fun, I loved making my own story.”

Olivia Y2

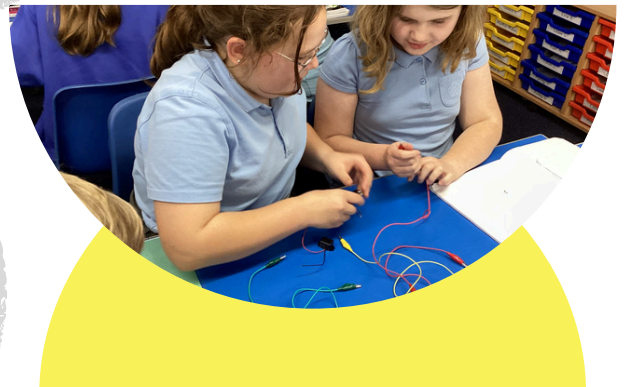

“The teachers are very confident in what they’re teaching. They don’t set you up to fail. They help you be the best!” Larry Y6

“What makes our school amazing is the staff. They look after all of us and I love it when new staff come to join our school. Our classes are named after wonderful people.”

Runya Y5

“We have lovely teachers. They make our lessons exciting and fun.”

Charlie Y3

Equip For Success

Through our curriculum intent, we aspire to empower every child to become a 'Weddy' graduate – a curious, courageous, and confident individual ready to venture into the wider world and embrace the opportunities and challenges that lie ahead. We believe every child, including with additional needs, should be part of everyday learning with clear adaptations being made if appropriate so EVERY child makes strong learning.

Trips, Visits and more

We believe learning extends far beyond the classroom, which is why each year group takes part in at least two educational trips every year to bring topics to life and deepen understanding.

Alongside these visits, children also enjoy exciting in-school experiences such as pantomimes, circus performances, and workshops from visiting charity groups. Together, these opportunities enrich the curriculum, spark curiosity, and create lasting memories for all our pupils.

Clubs

Our school offers a vibrant programme of over 40 after-school clubs throughout the year, giving every child the chance to discover new interests and talents. From a wide range of sports and dance to Digital Heroes, cooking, and arts and crafts, there is something for everyone to enjoy. These clubs are a wonderful way for pupils to build confidence, make friends, and develop new skills beyond the classroom – and best of all, they are all completely free of charge.

Full inspection
report found here

Pupils enjoy warm and nurturing relationships with staff and feel safe and happy in their care.

Pupils, including those with special educational needs, succeed in meeting the school's high expectations of behaviour and achievement.

'Weddy Graduate Days' teach pupils how to gain confidence and be curious about communities and cultures that differ from their own.

Pupils access a wide range of extra-curricular clubs that hone their talents and interests.

The school also makes sure pupils can learn beyond the academic curriculum.

A SCHOOL OF FIRSTS ACROSS NUNEATON IN 2025

First school to run and host a girls football event for every girl at Weddington and other schools in Nuneaton

First school to run and host a whole school SEN football event at Weddington for all of our SEN children and for other schools in Nuneaton.

Delivered a SEN after school sports club for the whole year.

Hosted a KS1 Boys football tournament and all Nuneaton schools offered to attend.

Hosted a Boys Year 3 & 4 football tournament and all Nuneaton schools offered to attend.

Parents' feedback

I think the parents are very well informed of everything at school and the relationship between school and families is fantastic. Also the discipline is brilliant.

I have been very impressed with how responsive the school has been to concerns raised and with the quality of learning and support my daughter has received from teaching and support staff alike. I have also valued the extra opportunities to be involved as a family such as Weddys got talent, den day and summer fayre. The newsletter is also much better in its current format.

As it's our first experience of Weddington we have been very impressed with the efficiency of school. Although communication lacked at the start of the year I feel now we have been kept up to date with key events and also class learning too.

I think the pastoral team have made a huge difference in the way children behave and the reassurance there's someone there to listen to them that isn't an authority figure like a teacher/head etc. It's gave the children somewhere to express themselves and have fun!

I like the values assemblies and initiatives like the careers day.

My daughters joined Weddington primary school 18 months ago and I have nothing but praise for the school and teachers! They both love school and it's due to the constant commitment that the staff there show to all the children that are helping them thrive!

I am the Grandfather of the above and have followed the progress of the two girls over their respective years at Weddington. Under your care and dedication I have seen them grow socially, emotionally and academically.

My twins absolutely love the before school sessions and the support from Miss Molineaux and miss Tomlinson is fab! Also, thank you to the office team, especially Mrs Gordon and Mrs Tomlinson who ring me near enough everyday regarding one of my kids injuring themselves & thank you to the TAs especially Mr Simpson who is such an amazing member of your team! He has such a good relationship with the kids who all adore him & goes out of his way to make sure they have everything they need!

I've seen many positive changes. It was a good year for my child.

How well do our children achieve?

In 2025 87% of our children left Reception achieving a Good Level of Development

The % of children achieving a Good Level Of Development at the end of Reception has been above National Average for the past 2 years.

77% of children in Year 1 passed the phonics screening check in 2025

The average score for children taking the Year 4 multiplication test was 22.4. This is above the national average.

The number of children in year 6 who achieve the expected level in Reading, Writing and Maths has been above National Average and Local Authority Average for the passed 3 years.

The % of children working at a greater depth at the end of KS2 has continued to increase. In 2025, 40% achieved greater depth in Reading, 15% in Writing and 34% in Maths. All above National and Local Authority Average
