KS2 Values Assembly

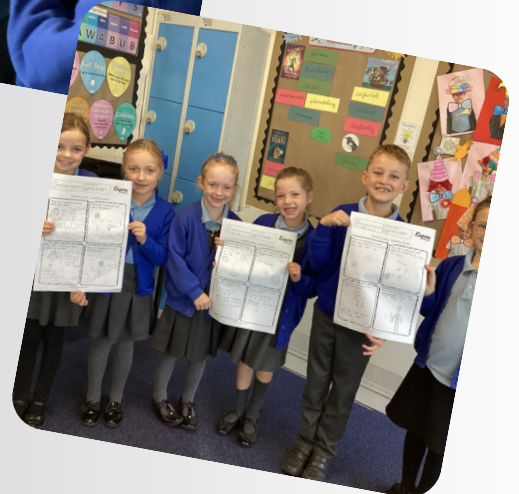

KS2 Values Assembly

We were so proud to celebrate the children who received awards in this week's assembly. It was wonderful to hear about all the amazing work happening across the school and to see how our pupils continue to strive to live out our values each day. A huge thank-you to all the parents and carers who joined us—especially on such a wet and rainy day. Your support means so much, and it's always a joy to celebrate our children's achievements together.

Weddington Remembers

Our school community showed remarkable maturity and mindfulness during this week's Remembrance Day commemorations. All children took part respectfully in the two-minute silence at 11 o'clock, demonstrating great empathy and understanding.

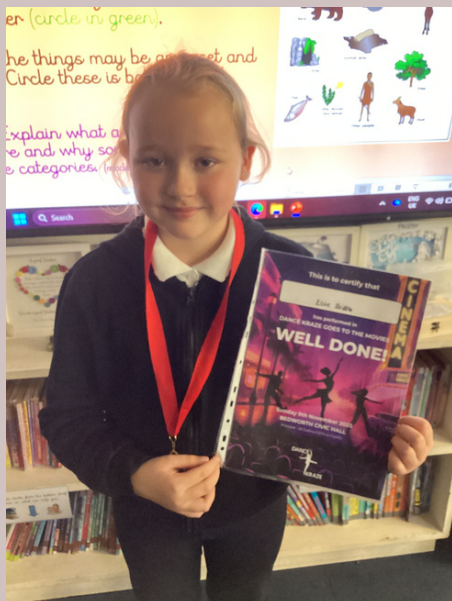

Key Stage Two pupils produced a range of thoughtful, expressive poems, while our Key Stage One and Reception children created beautiful and meaningful artwork to mark the occasion. As a school, we would also like to extend our heartfelt thanks to all service families for the dedication and service they provide.

Weddy Graduates in the Wider Community.

Bridie in Year 2 has been challenging herself in gymnastics. Placing third overall in a competition that involved floor, beam and vault. Amazing work!

Noah in Year 3 has been awarded for football skills this week. Well done Noah!

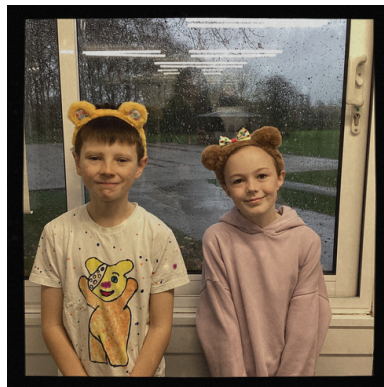

Congratualtions to Elsie in Year 3 who has shown her confidence and creativity by taking part in a local dance show.

Thank you so much to all our families for your generous donations and wonderful support for Children in Need Day. It was fantastic to see our pupils coming into school in their spotty outfits and themed non-uniform, all helping to raise money for such an important cause. Your kindness and care make a real difference, and we are truly grateful for the continued support of our Weddington community.

World Prematurity Day takes place on 17th November, a global day that raises awareness of the challenges faced by premature babies and their families.

Across the world, people use this day to show support, celebrate the strength of these children, and highlight the importance of neonatal care. We wanted to make our school community aware of this important day and the message it promotes around understanding, compassion, and support for families affected by prematurity.

The Importance of Being on Time at Weddington

At Weddington Primary, we want every child to start their day calmly, confidently, and ready for learning. Recently, we have seen an increase in children arriving late, and we kindly ask for your support in improving punctuality across our school community.

Why being on time matters now:

Learning starts immediately – our doors open at 8:30am and formal learning begins at 8:45am, so children should be in class and settled by 8:40am.

Late arrivals disrupt learning – staff must stop to settle late pupils and re-explain instructions, which slows or interrupts the learning for the whole class.

Children miss key routines – calm starts, wellbeing check-ins and lesson introductions are essential for confidence and success.

Punctuality supports wellbeing – children who arrive late often feel rushed, embarrassed or unsettled, which can affect their mood for the rest of the day.

How punctuality shapes the future:

Being consistently late can lead children to believe that lateness is “normal” or acceptable.

This creates habits that can affect their secondary school experience, future education and even employment, where punctuality is a basic expectation.

Unfortunately, we have a handful of children who may already feel this way, and that is not fair on them, as punctuality is a responsibility that begins at home.

We're here to help

If mornings are challenging for your family, please let us know. Our **Weddy Hub** Team can support with routines, strategies and any help needed to improve punctuality.

Thank you for working with us to give every child the best possible start to their school day and the best foundation for their future. Together, we can make a real difference.
