WEDDY HUB NEWSLETTER

Weddy Hub is our name which describes our SEN and Pastoral support.

SENCO

As Weddington Primary School's Special Education Needs and Disability Coordinator (SENDCo), I am here to offer support and advice regarding additional needs or SEND support for your child. Please feel free to contact me via the school office or to make an appointment.

Many thanks, Ms. Robertson

Pastoral support

At Weddington Primary School our Pastoral managers are Miss Tomlinson and Miss Molineaux, we are here to support both parents and children with any problems that they may experience in and out of school. We work with children in groups and individually. It is also our responsibility to ensure that children are safe and secure.

Miss Molineaux supports with behaviours and Miss Tomlinson supports with attendance. We offer an open-door policy so that we are available when you need us and we create a safe space for parents to speak to us.

Safeguarding at Weddington

Our Purpose:

- To make sure everyone feels safe, valued, and looked after
- To encourage a culture where people feel confident to speak up
- To ensure worries are taken seriously and dealt with properly

How can we help you:

- Friendly chats if you're worried about something
- Advice and guidance on what to do next
- Helping connect you with specialist services if needed
- Being there during tricky or sensitive situations

What we do:

- Listen to any concerns and handle them with care and confidentiality
- Support children, young people, families, and staff whenever they need us
- Work with trusted partners to make sure everyone gets the right help
- Share helpful tips and training to keep our community safe

Our Graduated Approach to SEND

Many children across Weddington take part in a variety of interventions to help meet their individual needs. For some children this will be a short catch up intervention or a little additional emotional support, others receive a more intensive program of support. Wherever possible, our interventions take place at times that mean children do not miss out on the curriculum and they are delivered in a fun, supportive and positive manner. We always welcome your feedback regarding SEND provision so please do not hesitate to let me know your views.

The additional support any child receives is recorded on an individual monitoring form. Some children may go on to require a Personalised Learning Plan (PLP). For certain children, we may ask outside agencies to become involved to help support a child's needs or when more complex needs exist. Where a child has significant and / or complex needs, an Educational Health Care Plan (EHCP) may be required. To enable closer monitoring your child may be added to the school SEN record.

Our Graduated Approach to Special Educational Needs and Disabilities (SEND) is explained further within the SEND Policy and SEND report available on each school website <https://www.weddingtonschool.co.uk/send/>

We have introduced the 1% club this half-term and will be continuing this scheme, we will pick the children that need the some support with their attendance and over 12 days their attendance will improve by 1% - by doing this there will be a reward to show their improvement.

At Weddington, we want all our children to achieve good attendance to give them the best opportunity now and later in life.

Weddington's vision is for all to thrive.
