

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception (Mastering Number)	Pupils will build on previous experiences of number from their home and nursery environments, and further develop their subitising and counting skills. They will explore the composition of numbers within 5. They will begin to compare sets of objects and use the language of comparison.		Pupils will continue to develop their subitising and counting skills and explore the composition of numbers within and beyond 5. They will begin to identify when two sets are equal or unequal and connect two equal groups to doubles. They will begin to connect quantities to numerals.		Pupils will consolidate their counting skills, counting to larger numbers and developing a wider range of counting strategies. They will secure knowledge of number facts through varied practice.	
Year One	Number: Place value (within 10)	Number: Addition and subtraction (within 10) Geometry: Shape Consolidation	Number: Place value (within 20) Addition and subtraction (within 20) Place value (within 50)	Measurements: Length and height Mass and volume	Number: Multiplication and division Fractions Geometry: Position and direction	Number: Place value (within 100) Measurements: Money Time Consolidation
Year Two	Number: Place value	Number: Addition and subtraction Geometry: Shape	Measurements: Money Number: Multiplication and division	Measurements: Length and height Mass, capacity and temperature	Number: Fractions Measurements: Time	Statistics Geometry: Position and direction Consolidation
