KS2 Values Assembly

A big well done to all of the children who were celebrated in our Key Stage 2 Values Assembly this week. It was lovely to see so many children recognised for consistently showing our Weddington values through their kindness, perseverance, respect and positive attitudes towards learning.

Well done!

Year 3 & 4 Football

Year 3 and 4 Boys Football Skills Festival

This afternoon, our Year 3 and 4 boys took part in a brilliant football skills festival alongside two other schools. The children were fantastic throughout and represented Weddington brilliantly with their behaviour, effort and teamwork.

A big thank you to VISION FOOTBALL ACADEMY and Etone Sports Leaders for managing, coaching and supporting the event so well. We really appreciate the time and energy they gave to make the afternoon such a positive experience for the children.

This follows on from our girls' football event and our Year 1 and 2 boys' football event, with SEN sporting events also taking place later in the year. These opportunities are an important part of enriching our curriculum, giving children a wide range of experiences and making school life even more enjoyable and memorable.

Thank you as well to our staff who helped organise and support the event this afternoon. A lovely afternoon of sport, teamwork and Weddington values in action.

Well done to our Year 6 Children

A huge well done to all of our Year 6 children who completed their SATs this week at Weddington. We are incredibly proud of every single one of them.

Throughout the week, the children have truly reflected our vision and values through their resilience, perseverance, aspiration and positive attitude. Their effort, maturity and determination have been exemplary, and they should all feel really proud of themselves.

We were also visited by the Local Authority during SATs week, and I'm really pleased to share that the visit went extremely well. The children's conduct, attitude and the calm atmosphere around school were commented on very positively, which was lovely recognition for both the children and staff.

A big thank you as well to all of our parents and families for your continued support and encouragement at home this week — we know SATs week can feel a little intense for everyone!

Finally, thank you to all of our wonderful staff who have supported the children throughout the week through breakfast club, revision sessions, pastoral support and all the little things behind the scenes that make such a difference.

We are really proud of our Year 6 children and the way they have represented Weddington this week..

Well done!

PAUSE Parenting App

3rd June 8.50 KS2 Hall

We are delighted to welcome the creators of the PAUSE Parenting App to host a coffee morning for parents. PAUSE is a new app designed to provide parents with tailored advice, practical strategies, and guidance to support their child(ren)'s wellbeing and development.

About the App: PAUSE has been developed by a CAMHS Psychologist based at the Whitestone Clinic, in collaboration with software developers from University of Warwick.

The app is now being rolled out nationally to help support and empower parents.

Further information is attached below on how to get started. We would be very pleased to see parents join us on 3rd June to learn more about how the app works and to have the opportunity to ask any questions they may have.

Family Den Day - Friday 12th June 2026

Den Day has been a great activity for families for children at Weddington for the past several years. As a school, we have decided to hold this event every two years and this will take place on Friday 12th June. This event will involve families to work together on our field to build a den using a range of materials. The last event was amazing and great to see so many families be involved in this. A message will have been sent on Reach More Parents with further details so please look out for this. Here are some things to remember for the day:

Families will be welcomed to school at **12.15pm** and during this time, all materials, equipment etc can be brought in and placed onto the field. Families can have lunch with their children at **12.30pm**. Official 'Den building' will start at **12.45pm**. We are expecting Dens to be completed by **2.30pm**. All children should go back to class to gather their belongings. They then can be collected from their classes as usual approximately at 2.40pm. Families and dens can be collected and taken home.

Please remember:

- Children to stay with families and not leave the school site
- No alcohol or BBQs
- Children to have lunch with families and stay with families during this time
- Any families who cannot attend, children will build a den with their class adults
- No electrical equipment
- Permission will be needed from any parent/carer wishing their child to go home with anyone else
- All 'Den materials' to be taken away with you.
- Gates will be locked at 1pm and reopened at 2.30pm
- All children to go back to classes at 2.30pm and will be dismissed at approximately 2.40pm
- Any families that cannot attend, please send materials with your child so they can still take part with school adults. These children can stay in their classrooms and will be dismissed as normal at 3.15pm

Parking Around School

Over the last couple of weeks, parking around school has become a real concern, particularly around the junction directly outside school. At busy times, this area is becoming unsafe for children and families.

We have seen:

- Cars parked on corners and extremely close to the junction
- Cars parked on pavements, leaving little or sometimes no room at all for children, prams or families to walk safely
 - Cars turning around in the middle of the junction
- Vehicles travelling too quickly whilst children and families are arriving at school
 - Parents stopping suddenly or blocking access points

I have taken photographs again this week. This is not about naming or shaming anyone. It is about making sure we all understand the risks and work together before somebody gets hurt.

Please remember:

- Parking on corners, across dropped kerbs and on pavements can be dangerous and, in some cases, illegal
- Children notice the choices adults make, so we must all model safe and respectful behaviour around school
 - Saving a two minute walk is simply not worth risking a child's safety

We are asking families to:

- Park a little further away and walk the last few minutes to school
 - Leave home slightly earlier so there is no need to rush
- Be patient, mindful and respectful of local residents and other families
 - Drive slowly and carefully around school at all times

The vast majority of our families are incredibly supportive and considerate, and we really do appreciate that. However, this situation needs to improve quickly. **Keeping children safe must come first.**
