Reception & KS1 Values Assembly

It was lovely to come together for our Reception and KS1 Values Assembly this week. The children shared such proud smiles as we celebrated those who have shown our school values in action.

These moments always remind us that even our youngest children are already growing into thoughtful, kind and confident Weddy Graduates. Very proud of you all.

Well done!

Year 3 Trip

Year 3 had an amazing trip to Bosworth Battlefield, where they stepped back in time to explore life in Roman Britain. The children enjoyed incredibly realistic and fascinating encounters with Boudica and a Roman soldier, discovering how Roman rule affected Celtic life (including the food they ate), what it was like to be part of the Roman army, and how soldiers trained, used tactics and prepared for battle. They even became part of Boudica's army, learning about Iceni warriors, war cries and battle moves, and found out all about the world of Roman soldiers and the might of Rome. The children also had the chance to become Roman archaeologists, handling real Roman artefacts found at Bosworth, learning how archaeology helps us investigate and understand the past, and creating their very own replica Roman coin to take home, making it a truly memorable and hands-on learning experience.

Laser Tag

At our school, we are committed to providing exciting experiences that celebrate and reward children who consistently follow our school rules and demonstrate our core values. This week pupils enjoyed a fantastic Laser Tag experience, where they had lots of fun competing against their classmates in a friendly and energetic atmosphere. Everyone who took part agreed that it was a brilliant experience and a well-deserved reward for their positive attitude and behaviour.

Weddy Graduates in the Wider Community

Congratulations to Layla in Year 4 who has gained a place on the Perform like a Pro Associate Programme where she will have the opportunity to work with some of the best choreographers and teachers in the industry!

PAUSE Parenting App

3rd June 8.50 KS2 Hall

We are delighted to welcome the creators of the PAUSE Parenting App to host a coffee morning for parents. PAUSE is a new app designed to provide parents with tailored advice, practical strategies, and guidance to support their child(ren)'s wellbeing and development.

About the App: PAUSE has been developed by a CAMHS Psychologist based at the Whitestone Clinic, in collaboration with software developers from University of Warwick.

The app is now being rolled out nationally to help support and empower parents.

Further information is attached below on how to get started. We would be very pleased to see parents join us on 3rd June to learn more about how the app works and to have the opportunity to ask any questions they may have.

Family Den Day - Friday 12th June 2026

Den Day has been a great activity for families for children at Weddington for the past several years. As a school, we have decided to hold this event every two years and this will take place on Friday 12th June. This event will involve families to work together on our field to build a den using a range of materials. The last event was amazing and great to see so many families be involved in this. A message will have been sent on Reach More Parents with further details so please look out for this. Here are some things to remember for the day:

Families will be welcomed to school at **12.15pm** and during this time, all materials, equipment etc can be brought in and placed onto the field. Families can have lunch with their children at **12.30pm**. Official 'Den building' will start at **12.45pm**. We are expecting Dens to be completed by **2.30pm**. All children should go back to class to gather their belongings. They then can be collected from their classes as usual approximately at 2.40pm. Families and dens can be collected and taken home.

Please remember:

- Children to stay with families and not leave the school site
- No alcohol or BBQs
- Children to have lunch with families and stay with families during this time
- Any families who cannot attend, children will build a den with their class adults
- No electrical equipment
- Permission will be needed from any parent/carer wishing their child to go home with anyone else
- All 'Den materials' to be taken away with you.
- Gates will be locked at 1pm and reopened at 2.30pm
- All children to go back to classes at 2.30pm and will be dismissed at approximately 2.40pm
- Any families that cannot attend, please send materials with your child so they can still take part with school adults. These children can stay in their classrooms and will be dismissed as normal at 3.15pm

Parking Around School

Over the last couple of weeks, parking around school has become a real concern, particularly around the junction directly outside school. At busy times, this area is becoming unsafe for children and families.

We have seen:

- Cars parked on corners and extremely close to the junction
- Cars parked on pavements, leaving little or sometimes no room at all for children, prams or families to walk safely
 - Cars turning around in the middle of the junction
- Vehicles travelling too quickly whilst children and families are arriving at school
 - Parents stopping suddenly or blocking access points

I have taken photographs again this week. This is not about naming or shaming anyone. It is about making sure we all understand the risks and work together before somebody gets hurt.

Please remember:

- Parking on corners, across dropped kerbs and on pavements can be dangerous and, in some cases, illegal
- Children notice the choices adults make, so we must all model safe and respectful behaviour around school
- Saving a two minute walk is simply not worth risking a child's safety

We are asking families to:

- Park a little further away and walk the last few minutes to school
 - Leave home slightly earlier so there is no need to rush
- Be patient, mindful and respectful of local residents and other families
 - Drive slowly and carefully around school at all times

The vast majority of our families are incredibly supportive and considerate, and we really do appreciate that. However, this situation needs to improve quickly. **Keeping children safe must come first.**
