Week 1

Wednesday 2nd September 2026

Welcome back

It has been lovely to welcome everyone back into school today and see the children settling so quickly into their new classes. They have done incredibly well and there has been a really positive feel around school.

A particularly big well done to our new **Reception** children, who have had a fantastic first day, and to all of our other new starters across the school. We hope you already feel very much part of the Weddington family!

The children also looked incredibly smart today in their uniforms, so a big thank you to all of our parents and carers for your support with this. It was great to see everyone looking so ready for the year ahead.

A few reminders for the school day

School gates open: approximately 8:25am

Children can enter the school building: 8:30am

We would like most, if not all, children to be in school at 8:30am, giving them time to settle and get themselves ready for the day.

Formal learning begins: 8:45am

School finishes: 3:15pm

Thank you for helping us to make sure children are in school and ready to learn on time.

Reach More Parents

Just a reminder that our main communication with families will be through Reach More Parents.

Please keep an eye on the app for school messages, updates and information. If you are having any difficulties accessing or using Reach More Parents, please contact the school office as soon as possible and we will be happy to help.

Parking Safely Around School

A quick reminder to please park safely and considerately when dropping off and collecting children from school.

Please avoid blocking driveways, parking on corners or stopping where it may make it difficult for children and families to cross safely. We know the roads around school get very busy, so if you can park a little further away and walk the last few minutes, even better!

Thank you, as always, for helping us keep our children, families and local neighbours safe.

Curriculum information

Finally, a reminder that our curriculum information and timetables are available on the school website, so you can see what your child will be learning throughout the year.

Please ensure you keep an eye on our website as it has lots of information about our School

New school dinner menu

Our catering company, Educater, provided us with a new school dinner menu today. This has already been shared with families through Reach More Parents, and we have also included it here in the newsletter for you to have a look at.

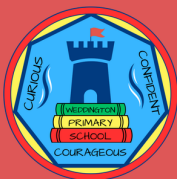

The new menu will be in place from tomorrow onwards.

Apologies for the late notice with this, but the updated menu was only shared with us today. Thank you for your understanding.
