KS1 Values Assembly

A lovely Values Assembly for our Key Stage 1 children this week! It was great to celebrate so many children demonstrating our Weddy values and to recognise their hard work and achievements.

A big thank you to all of our parents and families who joined us.
Well done everyone!

Communication

Three years ago, families told us that communication was an area we could improve. Since then, we've worked hard to make things clearer, easier and more accessible.

A few updates on what we've done and what we're improving further:

Reach More Parents – we've invested in one main app for school messages, class updates, photos and key information, rather than using several different platforms. If you can't access it, please contact the office and we'll help.

Dates for the year – key events are shared well in advance through Reach More Parents, our website and newsletters. We've also started making it clearer which events families are invited to, helping you plan ahead.

More notice – following feedback, we'll aim to give more notice for events such as our Wildlife Warriors Day wherever possible. On the list of dates on the newsletter, it does indicate all of our family events.

Values Assemblies – we're looking at whether certificates can be decided earlier, allowing us to give families closer to a week's notice where possible. We'll keep you posted.

Notifications – A parent has shared they receive too many notifications. Notification settings within Reach More Parents can be adjusted to suit you, but we'll continue sharing important information and celebrating what's happening across school.

Website - Lots of information is on there about the curriculum and policies etc.

Thank you for your feedback and support. We'll keep listening and improving, so if you have any suggestions, please come and speak to us.

Weddy Graduate Day: Wildlife Warriors!

On Monday 5th October 2026, our children will become Wildlife Warrior Graduates! Each year group will discover an amazing animal, explore the world it lives in and learn why it needs our help.

Across four exciting parts of the day – Discover, Investigate, Create and Protect – children will ask questions, get creative and see how even small actions can make a difference.

They will finish by making their own Wildlife Warrior pledge.

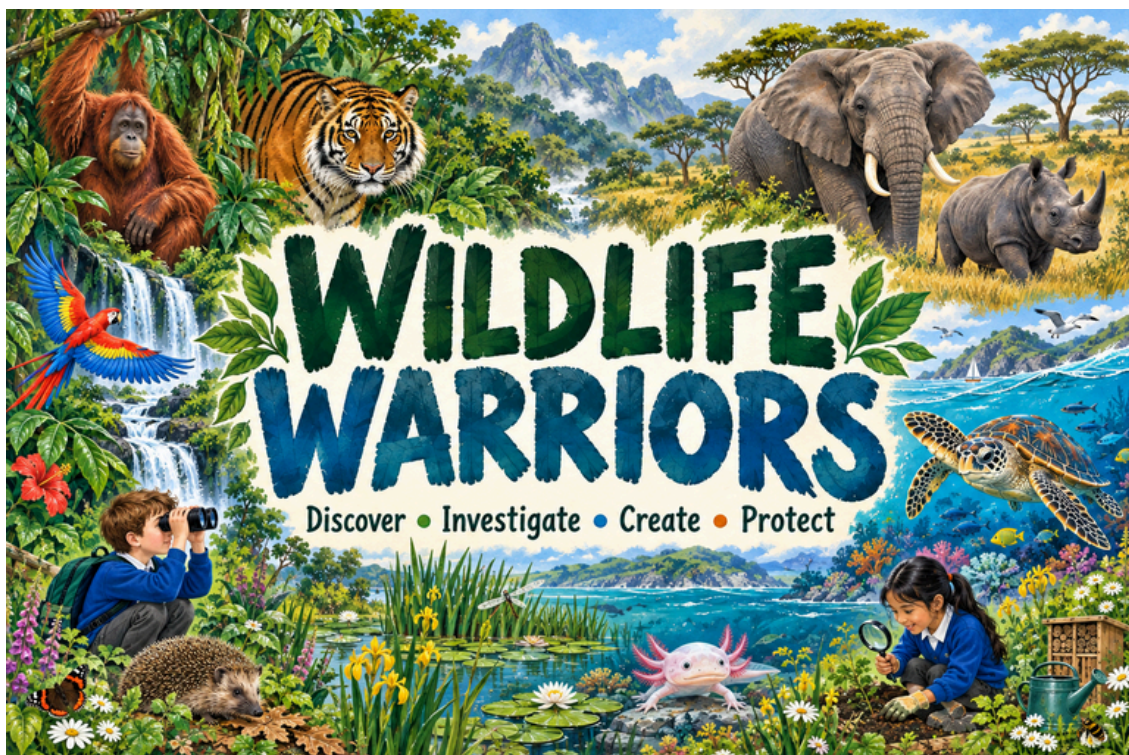

We would love parents and carers to join their child for a special activity:

Key Stage 2: 9:00–9:40am

Reception and Key Stage 1: 2:20–3:00pm

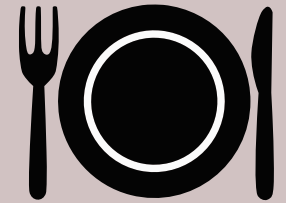

To help us manage the sessions safely, please limit attendance to one parent or carer per child.

If possible, we ask that younger siblings do not attend, but we understand this may not be possible for every family, and they are welcome to come with you if needed. We hope you can join us for a day full of wonder, shared learning and a little Wildlife Warrior magic!

School Council – Listening to Our Pupils

Our School Council had another productive meeting this week, with some fantastic conversations about the children’s experiences of our new lunchtime arrangements. It was lovely to hear that many children are feeling much happier on the playground, particularly because there are now more adults available to support them. The children also shared some great ideas about having a wider range of playground equipment to give everyone more opportunities to play. There were mixed views about the length of lunchtime, with some children feeling it is a little too short, while others felt that the time is just right. The councillors also talked about what more we could do to support children’s wellbeing. Some year groups felt that school already does lots to support wellbeing, while others suggested that a wider variety of clubs, with opportunities beyond sport, would be a positive addition. Mrs Darlison will take the children’s ideas and feedback to our next Senior Leadership Meeting so that we can explore which suggestions we can put into action.

We are incredibly proud of the thoughtful and constructive way our School Councillors are representing the views of their classmates and helping to make a difference at Weddington.

Parking Safely Around School

A quick update on parking around school. We are pleased to say that things do seem to be improving a little, so thank you to everyone who is parking safely and considerately.

However, we are still seeing too many cars parked unsafely, and in some cases illegally, on the roads around school.

At the end of the day, we have lots of children and families walking home and their safety must come first.

Please help us to keep the area around our school safe for everyone. Thank you for your continued support.

We really need to do the following:

Do not park within 10 metres of the junction.

Do not double park or stop alongside parked vehicles to drop children off.

Do not park on or obstruct pavements, particularly where families cannot safely get past with pushchairs.

Please avoid U-turns and other unsafe manoeuvres around the school entrance and junction.

If necessary, park a little further away and walk the final few minutes to school.

We have had many photos from families and from the school of poor parking around school. Photos will be shared to the police.

Curriculum information

Finally, a reminder that our curriculum information and timetables are available on the school website, so you can see what your child will be learning throughout the year.

Please ensure you keep an eye on our website as it has lots of information about our School

WEDDINGTON'S VALUES

01

ASPIRATION

Aspiration means dreaming big and aiming high. At Weddington, we inspire children to set exciting goals and work hard to achieve them. We celebrate achievements and encourage everyone to believe in themselves.

REFLECTION

Reflection helps us grow and improve. At Weddington, we encourage children to think about what they've learned, celebrate successes, and set targets to do even better, turning challenges into opportunities.

03

TRUTH

Truth is about being honest and making the right choices. At Weddington, we teach children to value honesty and fairness, helping them build trust and strong relationships in our school community.

02

RESPECT

Respect is at the heart of everything we do at Weddington. We treat everyone with kindness and value their ideas and feelings. We show respect through our behaviour, teamwork, and by celebrating our differences.

04

PERSEVERANCE

Perseverance teaches us to never give up. At Weddington, we celebrate effort and resilience, encouraging children to keep going when things are hard. This helps them build confidence and achieve their best.

05

INSPIRATION

Inspiration drives creativity and a love of learning. At Weddington, we bring lessons to life with exciting topics, visitors, and experiences that spark curiosity and motivate children to explore the world around them.

06

MINDFULNESS

Mindfulness helps us stay calm, focused, and ready to learn. At Weddington, we use mindfulness in lessons and daily activities to manage emotions and support well-being, creating a peaceful and happy school.
